## Frogbridge Fun Facts

### What's Gonna

#### Hoppen Week 3:

- \* Monday - Cartoon Character Chatter!
- \* Tuesday—Tadpole & Inter Petting Zoo!
- \* Wednesday—Pajama Party!
- \* Thursday—Lip Sync Semis!
- \* Friday—Camper Glow Party!

Our second week was spent celebrating the good ole USA and our camp was filled with tons of Red, White and Blue! We hope you all enjoyed your July 4th holiday! We certainly had a great time celebrating here at camp! Your campers are sure to tell you all about the festivities!

We started camp on Monday with Unusually USA. It was amazing to see how much our campers knew about the USA! Ask them who they think the most famous person from New Jersey is! You'd be very surprised with their answers!

After celebrating Independence Day at home with our families, we returned to camp on Wear-It Wednesday showing our USA

spirit dressed in our best stars and stripes! What a great job you all did to look so patriotic!

The fun continued this week all around camp! Our Middle and Senior campers are enjoying their all new "selective" activities by making pizza ovens in Science and learning how to serve a ball in tennis (among many other new and exciting interests). Tadpole Timmy's Pet Show was enjoyed by our Tadpole and Intermediate Campers and boy was it fun! They just love meeting all of Silly Billy's reptiles! Our Junior Campers are loving all of their new club choices and the additional time spent at the activities they love the most! Smiles are all over camp, and we love that everyone is having such an amazing summer trying so many

new things and making new friends!

Thursday was picture day and our campers were excited to receive their new camper t-shirts. They wore their green and gold camp shirts proudly as they spent the rest of the day having loads of fun at all of the activities! Our camp photographers made sure to capture their best smiles with all their camp friends! Although the rain did not hold off for us on Friday, we still had a great day at all of our favorite indoor air conditioned activities! Unfortunately the bad weather caused us to postpone Wacky Water Day until next Friday, but the great news is that we added an additional super duper water inflatable to our lineup, so next week's Wacky Water Day will be bigger and better than originally planned! ...aaaaand that means that next Friday will now feature TWO special events on the same day!!! - our 2nd annual Camper Glow Party AND Wacky Water Day!

Although we have just completed Week 2, the summer is
