FUN IN THE SUN!

After two amazing weeks of fun and excitement, our campers came to camp on Monday eager to see what else was in store. This week was jam packed with even more fun, special events, and surprises than any of us could imagine! Frogbridge 2017 is proving to be our best summer yet!

Frogbridge Campers are loving their activities, learning new things, but most importantly making friendships that will last a lifetime. Our Tadpole and Intermediate Campers are passing the deep water tests and wearing their green bands proudly! Junior Campers are loving all of their clubs and Middle and Senior Campers are enjoying their new selective choices and the incredible projects they have worked on all week! There are so many activities at Frogbridge we can't wait for you to participate in them on Parent Night! Ask your campers the thrill they get from zipping across the lake or bouncing as high as

they can on the Bungee Trampolines! The best part about camp is that our campers are trying activities they may have never tried before and making so many new memories!

Our Tadpole and Intermediate Campers had a super time at the petting zoo on Tuesday! There were so many animals to pet and play with.... bunnies, chickens, a pig, sheep and even a llama came to visit us! Our youngest campers had such a great time, we even had the Junior Girls stop by for a visit!

This week's Wear It Wednesday, Pajama Day, was the most popular wear it Day in Frogbridge history. With almost 100 percent participation, campers and Team Members rolled right out of bed and came to camp in their pj's! What could be more fun than that? The best and silliest part of pajama day is at lunch time when we eat breakfast in our pajamas! Harry J told us the french toast sticks were delicious, ask your campers if they tried them!

With the return of the Lip Sync Battle on Thursday, our Team Members were ready and eager to take the stage and perform in Harrison Square Garden in front of our campers! We started the competition with 10 acts and with our guest judges and audience applause we were able to narrow it down to 5 acts to advance to the finals. Congrats to Brett Sweat (last year's runner up), Joe L. and Connor, Adam S, Victoria and Ryan, and the famous BackStage Boys. It certainly looks like you are all going to Hollywood! Stay tuned to see who is crowned the champion in just a few weeks!

Then in the blink of an eye it was Friday, and The Camper Glow party! The most exciting Dance Party of the summer had our campers and Team Members rocking the Garden. Glow Paint and glow sticks were lighting up the room and AJH dancers had everyone dancing the day away! To everyone's surprise a 10 foot (yes we said 10 foot) Glowbot was sent into the party to lead our campers! A fantastic time was had by everyone!

This was such a frogtastic week we simply do not want it to end! The fun we are having just can't be stopped, but we know we must rest up to Start Week 4! The best part about Week 4 is we get to spend it with all of you at our Talent Shows! We can't wait to see you live on stage at HSG! See you all next week!

CIT News!

Our CIT's continue to amaze us everyday! Their energy begins at our Morning Assembly and continues throughout the day while having fun with their groups! Congrats to our CITs of the week Jeff K. and Gabriella N.! Wear your blue shirts proudly!

ASK YOUR CAMPERS

Be sure to ask your campers what their favorite activity at Frogbridge is? We have so many to choose from!
