# Welcome Home!

The excitement was all over camp on Monday as the buses drove down the driveway for the very first time. Smiles were all over, friends were reunited, new friendships were blooming, and after ten long months it felt great to be back home!

We kicked off the Summer of 2019 with a bang! Campers were dancing at assembly, we raised the flag for the first time and taught our new campers how to do it Frogbridge Style. Harry J even made an appearance and took a picture with JR and the first camper to get off the bus! Everyone was very eager to get to their first activities. Some campers tried climbing the rockwall

for the first time, others couldn't wait to get to Hippy Hops to make a chocolate frog treat, and many others couldn't wait to compete in Aeroball...our brand new 2019 activity!

On Tuesday, campers competed in an all new version of the Newlymet game. This year, several campers from the group had a chance at figuring out all sorts of things about the other campers in their group! The cheering going on in Harrison Square Garden showed just how much camp spirit everyone has!

Our first Wear it Wednesday of 2019 showed all the love we have for the USA! Campers and Team Members were are decked out in stars and stripes and a whole lof of red, white and blue! Great job to

everyone that participated. The groups that had the most participation in each division received among the first of our new line of giveaways -either a new drawstring bag or a super cool luggage tag. Wear them proudly!

We hope you all had a relaxing July 4th because before we knew it is was Friday! For the first time ever at Frogbridge Special Events, we had a challenge course called "Child's Play" for all our campers! Climbing and running through the different obstacles, the campers were timed who had the fastest run! We had some close competition and a whole lot of fun!

The start of Frogbridge 2019 was like no other. We hope you all had as much fun as we did. The great news ....this was only the beginning! We have so much more fun packed into the calendar we can't wait! Have a great weekend, and rest up because week 2 will be even busier! Wow! It feels great to be back home!
