From America's Got Talent to Frogbridge Day Camp Robert Channing Appears Live at HSG!

It's amazing how much fun we can pack into a week of camp. Week 2 welcomed some new friends, new activities and a whole lot of fun and excitement. Campers are having a blast jumping on the BRAND NEW aeroball activity, painting in ceramics, making edible frogs in Hippity Hops, and learning new drills in basketball. We are making so many new memories and had a frog-tastic time all around camp.

Although Monday started out as a rainy day, campers took advantage of all the indoor activities we have here at camp. Main Street Studios was hopping with excitement. Campers were competing in trivia in House of Clues, playing Relay Races in Harrison Square Garden, making churros in Chef Harry's and necklaces in World of Wearables. Before we knew it the sun was shining and we were outside running around!

The SuperHero Mix Up at assembly had our biggest superhero fans stumped at the morning game this week. A huge shout out to JB5 and

MB1 for having the most answers correct. Way to go everyone. We know how excited all our winners are to get our brand new Frogbridge 2019 giveaways!

In case you didn't know Tuesday was National Sugar Cookie Day. To everyone's surprise sugar cookies were served for dessert for lunch. Of course they were delicious, and campers were wondering if chocolate chip cookie day happens to fall on a camp day also. HAHahaha!

On Wednesday campers came to camp all dressed up for Superhero Day. There were superhero shirts, capes, hats, masks, you name it campers were decked out in their best superhero attire. It seems the most popular superhero among all the campers was Batman. Way to go to everyone that participated! We can't wait to see what you have up your sleeve for next week.

Picture Day is always a favorite day at camp, as we come to camp wearing our best smiles, and all returned home with our very own Frogbridge Camper t-shirts. Campers took individual shots and group shots. There

is still time to purchase your favorite Frogbridge Camper photos if you wish. If you need an order form please contact the main office.

Before we knew it, Friday was here and we welcomed the famous speed and glitter painter to Frogbridge. Robert Channing has made appearances on America's Got Talent, The Steve Harvey Show, The Today Show and many others all around the world. Known for his artistic talent of painting with his fingertips, palms and several different brushes he is able to paint portraits and pictures in a matter of minutes. The campers and Team Members could not believe their eyes when the invisible painting came to life with glitter...it was the Statue of Liberty herself! Robert then painted a few more incredible paintings, and one of them he painted upside down! Then, he called JR to the stage and presented him with an original artwork painting of our very own camp logo with Harry J on it! The surprise look on everyone's faces is what making camp memories is all about. We definitely didn't want the parents to miss out on all the fun, so lucky for you guys he is returning at Frogtoberfest this year! How exciting is that?

That's a wrap Week 2. Jam packed with fun, laughs and memories we will see you all back here on Monday as we start week 3! Hope you all have a great weekend!
