

What's Hoppening???

SUMMER 2019

Frogbridge Fun Facts

The 86 acre relay is the biggest relay race in camp history and the best part is that all of our campers are involved in it! The generals start out at Yellow Meeting House road and run to their lieutenants who keep passing their colored bandanna through the different activities! Each group is assigned at a different event to do each activity. At the end of the race everyone is gathered at the assembly area while the team leaders put together a jigsaw puzzle and unlock the combination lock which sends their team colored balloons into the air! Great job to the Green team for winning this years race!

What's Gonna Hoppen Week 7:

- * Monday—Summer Camp Recap!
- * Tuesday—Slime Time!
- * Wednesday—Disney's Alice in Wonderland Jr.
- * Crazy Hat Day!
- * Thursday—The Octagon Finals!
- * Friday—Reality Day! Bridge Crossing

Green Ocean vs. Gold Safari

The week we had been waiting for all summer was finally here! Week 7 was all about sportsmanship, teamwork, fairplay and everlasting friendships as the competition between the green and gold began! Color War 2019 kicked off on Monday morning with so much team spirit. We were certainly ready for the games to follow!

The Green Ocean and The Gold Safari were seen all over camp participating in so many different events! For our sports fans there were volleyball, basketball, soccer and hockey games! And for our crafty friends we had some more cool activities over on main street. Campers participated in an activity called Chopped in Chef Harrys and Cupcake Wars in Hippity Hops Chocolate Shoppe! Our very own Chef Will was able to judge the activities and he couldnt believe the culinary creations the campers came up with!

Everyday there were activities where the entire teams would compete against each other! Camper favorites included a team member soccer game, basketball challenge, and an entire camp scavenger hunt! Campers excitement rooting their teams on was absolutely amazing!

The annual Food eating challenge had our generals and lieutenants eating a 4 course feast in front of their teams! They literally took one for the team when they had to eat all those hotdogs and baked beans, and finish it off with a huge ice cream sundae from Ribbits!

A special thank you to all of our parents who sent in so many school supplies for the contest! We couldn't believe how many notebooks, pencils and highlighters were all donated! The Rise foundation's "We got your backpack" team will be so surprised! We can't thank you enough!

Throughout the entire week both teams scores were so close, we didnt be-

lieve it ourselves! And each day the Gold

Safari trailed just a little behind to get dumped with the famous bucket dump! (Green Ocean was lucky enough to just have water). In the end it came down to the Color War finale in HSG! Both teams did such an outstanding job with their song book presentations, plaques, fight song and alma mater, but in the end Gold Safari came out on top as the gold confetti was shot into the air and crowning them this years champions! We couldn't be prouder of this year's teams and how well you all did!

Carnival day is always a camper favorite and what better way to end such a fun week and bring our two teams back to one! Rides, games and prizes galore there was something fun for everyone! Popcorn, snowcones and cotton candy were all served and campers had a blast! Make sure you check out the pictures on smugmug!

Have a great weekend and rest up for Week 8! We still have Slime Time on Tuesday, and Our Theatreworks campers presenting Alice in Wonderland Jr. live at the Millstone Performing Arts Center on Wednesday evening at 6pm! Not to mention Championship Wednesday and Thursday and our reality day slideshow and bridge crossing ceremony on Friday! We will see you on Monday! Don't forget, the last day for earlybird registration is next Friday, August 23rd!

SUMMER 21 SHOUTOUTS

*Congrats to both the Gold and Green teams this week for an amazing Color War! Tadpole campers had lots of fun participating in so many new activities! Finding the coins in the bottom of the pool was a favorite

*Go green Go gold! We were so excited in Intermediate to participate in colorwar. The boys in 1b1 and 1b2 has fun competing at the large cup stacking relay. The girls of 1g1 and 1g2 made the match at the Disney match game at assembly. Intermediate cheered on their teams and had great sportsmanship and telling their opposing teams they did a great job. It was green and gold smiles all around at all activities.

*1,2,3,4.... what a week of color war!!! Congratulations to both teams for an amazing week of Green Ocean and Gold Safari! Junior boys and girls had 86 acres of fun-filled events during our very close and exciting 86 acres relay race!

*Senior camp enjoyed an eventful week for Color War! Generals Zach and Mike did a great job representing senior camp in the war! Campers enjoyed Purple Cone and Cupeake Wars as their favorite activities!

*MBS Raised the Flag last Friday MB6 Raised the Flag Tuesday

* Congrats to this weeks CIT's of the Week Zach G. and Andrew M! Way to go boys!
