## Living 10 Months for 2!

We are not quiet sure how the past 8 weeks have gone by so quickly! From the first day to the last and all the days in between, this summer has been nothing short of frogtastic! The friends we have made, the activities we have participated in, the sports we have played, and the millions of memories we have from Summer 2019 left us smiling ear to ear. It just makes it hard to believe we are going back to reality already! Frogbridge Summer 2019 is one we will remember forever!

Week 8 was jam packed with fun! We had the camper recap at assembly, our big camp picture which everyone was a part of, slime time

- our first ever tug - o-war with slime, the octagon and league finals, and so much more.

A special shout out to all of our campers that participated in our Theatreworks group and their presentation of Alice In Wonderland Jr. For those of you that were able to see the show at The Millstone Township Performing Arts Center you know that it was nothing short of spectacular. Our campers that participate in Theatreworks dedicate their summer to the show, and your hard worked really paid off. We are so proud of all of you!

The end of year slide show and bridge crossing ceremony is always so emotional. We take a look back at all the amazing things we have experi

enced all summer long and then cross over the bridge, as we step up to our new grades and divisions next summer! We can't say it enough how amazing Frogbridge 2019 was. From The Newlymet Game to Super Hero Day, Robert Channing and his famous speed paintings, Human Bingo, Talent Shows, Wacky Water Day, Boot Camp, 80s Day, Jennie's Birthday Wish, Green Ocean vs. Gold Safari, the 86 acre relay and The Camp Carnival, as you go back to school think about all the amazing things we experienced this summer. Smile when you think about us at assembly and the largest Camper Conga line in the world to Sweet Caroline, and laugh when you think about all the special things that only a Frogbridge Camper would understand! We really did have the BEST SUMMER EVER!

Enjoy the last few weeks before school starts, have a great year in school and in 10 months we will be back home once again! The countdown to Summer 2020 begins NOW!
