SUMMER 2021

## Frogbridge Fun Facts

Our very own Little Fenway Park is an exact replica of Fenway Park in Boston. When campers hit a ball over the Green Monster they are recognized at assembly and given a LIMITED edition Little Fenway T-shirt. This week we had quite a few campers who were lucky enough to hit a homerun and receive a t-shirt. Way to go boys and girls. Wear your shirts proudly!

### What's Gonna Hoppen Week 5:

- \* **Monday—Music and Sports Mix Up!**
- \* **Tuesday—Lip Sync Battle!**
- \* **Wednesday—Rock—N- Jock Day!**
- \* **Thursday—Tadpole and Intermediate Giant Bubble Show!**
- \* **Friday—Boot Camp!**

We blinked and then it was week 4. How is it even possible that we are half way through summer camp? Maybe it's because we are having the best summer ever! We already have made so many new friends, created so many new memories and tried different activities. We are building confidence, learning to swim and having so much fun.

Week 4 was all about talent. We played a talent game at assembly and practiced the many talents we all have to get ready for our annual Talent Shows. Talent Shows were a little different this year. The stage was ready, the campers were amped up to perform, DJ Mo was ready with the music, and so was JR with his mic, but for the first time ever our annual talent shows got to be viewed by all of you from the comfort of your own homes! We know you will agree that all of your

campers did a fabulous job on that stage. The smiles on their faces proved that for sure! We kicked off Talent Show week on Tuesday with our Junior campers, followed by Tadpole and Intermediate campers on Wednesday and our last performance were the girls from our Middle and Senior divisions on Thursday! You all looked great in your matching costumes and we were so proud of all the choreography of your dances! We know that you will all agree that we are all shining stars! Frogbridge Campers are ready for Broadway and Hollywood!

To mix things up a bit, our Wear It this week was Bowties and Bandannas! We are pretty sure there was every colored bandana possible as we looked out at assembly and to see bowties on regular tshirts and not suits just added to the fun! A special shoutout goes to the CIT girls for coordinating their outfits and dressing up with

bandannas and bowties to all the different colors of the rain-bow! Such great camp spirit!

The days went by so quickly that before we knew it it was Friday and one of our most popular special events as well ... Wacky Water Day! Lets just say it was a whole lot of wacky and a whole lot of water mixed in one! There were obstacle courses in the pool, water slides galore and our very own Frogbridge Dunk Tank to get your favorite counselors and instructors soaking wet! The Corcal boats were put in one of the pools and campers were able to just float and paddle around. What a great splish-splashing day!

It's hard to believe that four weeks of our summer are over. To our friends leaving us today enjoy the rest of your summer. Don't look now but the fun will be back with us here on Monday! We have Lip Sync Battle, The Harlem Wizards, Boot Camp, Our Annual Camp Carnival and a whole lot more! The best part is, we never know when Color war might show up (and yes we promise there is a Color war this year!) Have a great weekend and rest up for a whole lot more fun and excitement and many more memories to come!
