SUMMER 2021

## Frogbridge Fun Facts

### Did You Know???

JR's real birthday is July 27th, but JR's Birthday Bash is a birthday party in camp for everyone that does not have a summer birthday, and it's rarely ever on his actual birthday! We celebrate everybody all day in camp, and eat birthday cake for dessert at lunch. Just as all of our summer birthday's get those 2 words...Happy Birthday, at afternoon assembly JR screams out to the crowd we have 2 words for each and every one of you....Happy Birthday!

### What's Gonna Hoppen Week 6:

- \* Monday—Candy Match Up!
- \* Tuesday—JR's Birthday Bash!
- \* Wednesday—Frogtober in August!
- \* Thursday—Celebrate 22!
- \* Friday—Movie Mania!

Wow! Can week 5 be over already? The days are flying by with all the fun we are having. We are not ready to go back to reality just yet! The sun is shining, the activities are hopping and we are anxiously awaiting Color War!

As we kicked off our second half of summer this week, everyone thought for sure this would be it...Color War had to be breaking this week. After all we have been waiting 2 years for the Battle at The Bridge. We welcomed some new friends and settled right back into our schedules. All over camp we could hear the chanting, 1, 2, 3,4....We want Color War!

Tuesdays Special Event, Lip Sync Battle gave our counselors a chance to shine on the stage. Each division had a few acts to choose from, and by camper vote the winning acts from that division were sent to the

finals at assembly. There were tiktok songs, The Wingetts, and even an appearance from Taylor Swift. (well maybe our own versions of them!) While we were waiting for the final announcement on who would be the champion this year, JR started his..Ladies and Gentleman Speech....Campers were going wild thinking Color War had begun...the Color war music started playing, and the color war flags even came out....and then they heard the words...It is NOT Color War! Sorry guys maybe next time.....IT WAS A FAKE OUT! In the end it was One Connection that won the popular vote, and once again Casey from Teen Travel holds on to the title of Lip Sync Champion. Great participation from all of our Team Members.

Rock and Jock Day was a big hit as a wear it day. Half the camp was dressed as Jocks in sports Jerseys with

all different teams represented, and the other half was dressed like Rock Stars. There were mini guitars, rock star jackets and a ton of Rock Star tshirts. A great job was had by all. Keep up the camp spirit!

Thursday our Tadpole and Intermediate Campers all participated in a Bubble Dance Show Party. There were bubbles all over main street and our very own Chef Susie was covered in bubbles while many of our counselors and campers were actually individually put inside a giant bubble. (Make sure to check out the pictures) The giggling could be heard all over camp.

The week just kept going faster and before we knew it Friday was here and Powerhouse Studios was setting up for their Boot Camp Show. Campers and Team Members participated in all different challenges and some were even pried in the face as one of the dares. A great time was had by all, even if they were covered in 'mud'.

As week 5 comes to an end we welcome week 6 and all that it will bring. We can't promise Color war will break next week, but one thing is for sure...we will have a lot more fun with our friends. Have a great weekend and we will see you

## SUMMER 21 SHOUTOUTS
