# Welcome Home!

The anticipation was growing, the excitement was in the air and you could hear the kids yelling from Yellow Meeting House Road! When that first camper stepped off the bus on Monday, Harry J couldn't wait to give him the biggest socially distanced hug and welcome him back home! Twenty-two months in the making, It was FINALLY FROGBRIDGE and campers and team members were ready to start the summer of their lives! Old traditions started right away with our first group raising the flag, and before you knew it we were off to our favorite activities! Campers were zipping across the lake, jumping on the bungee trampo-

lines and riding the go-karts at the brand new Tadpole Timmys Speedway! We know this summer is sure to be the best one ever!

In keeping with Frogbridge Traditions, Tuesday we played our annual Newlymet Game where campers got to learn all about the campers in their groups! HSG was full of giggles and laughs behind the masks as campers learned fun facts about their new friends!

Before we knew it, our first Wear it Wednesday was here! With the July 4th holiday, campers and team members showed their patriotic spirit dressed in Red, White and Blue! Their were hats, tutus, stars and stripes everywhere! Congrats to everyone who

participated! We love seeing that fun camp spirit!

Our first ever Backwards scavenger hunt was a big success! At morning assembly campers had to figure out what item we were looking for as JR spelled out the words ... you guessed it Backwards.... The tie between SG1 and SB1 ended with SG1 taking the title when they had to figure out SELGOOG!

The week went way too fast, but Fridays special event Syman Hyman, brought our favorite childhood game Simon Says to camp! Simon Says , was right when he told us to Hop around... because that is what we will be doing all summer and we can't wait!

We hope all the weeks don't go this fast, but we promise the fun is just beginning! Stay tuned next week for Neon Day, Picture Day and The Wizards making their basketball debue at Frogbridge! Have a healthy and safe July 4th and we will see you all back here on Tuesday!
