Frogbridge Fun Facts

We call lunch on Wednesdays "International Days" featuring foods from around the world. The favorite international lunch is without a doubt potato pierogies. Campers and Team Members just love them. Would you believe us if we told you that combined we ate over 5000 pierogies at camp on Wednesday! That is a lot of potatoes!

What's Gonna Hoppen Week 3:

- * Monday—Game Show Trivial!
- * Tuesday—Frogbridge Olympics!
- * Wednesday—Wear it -Pajama Day!
- * Thursday—Gigantic GumBall Guess!
- * Friday—Welcome to Insanity Live!

FUN IN THE SUN

The days are getting faster, the fun is more exciting and we really need time to slow down! Its hard to believe we are already wrapping up week 2! This week brought new friendships, new wear it days, new special events and a whole lot of Frogbridge.

When we returned back to camp on Tuesday, so did the heat but that didnt stop us from getting to our favorite activities! Campers were eager to get their turn in the Octagon to earn a spot in the semi-finals, take a ride on the lake at Totally Tubing or fly in the air on the bungee trampolines. Group clubs were being chosen, volcanoes were erupting in Science and fun shades were being bedazzled in World of Wearables. Frogbridge Campers were participating in so many activities over all of our 86 acres and the excitement could be heard

everywhere!

Making its debut at Frogbridge this summer is a brand new Wear It Day called Neon Day and boy was it a huge hit with both the boys and girls! The colors were so bright we really needed to put on shades to look out into assembly! Great job to everyone that participated. Keep up the wacky camp spirit! We love it!

Picture day is always a camper favorite. All campers receive their official camper tshirts and wear them proudly for their camp photos. The smiles are always so bright and its a great keepsake to remember all your camp friends. Because every camper is photographed, it's not to late to send in your camper photo forms. We will be accepting them till Monday!

With Talent Shows less than two weeks away, our camp groups are practicing and learning their songs and dances. We can't wait for you

to see the finished product as you will be able to view them right from your home as if you were live in Harrison Square Garden with us!

When we woke up on Friday morning (as some decided to stay in bed), we thought Tropical Storm Elsa was going to take over Frogbridge for the day! Lucky for us, she let it all go before the first busses arrived and just as we started assembly the clouds pushed away and the sun came out. To our surprise, we were without power, but that could not stop the Frogbridge Tradition of Sweet Caroline and our new solo camper conga lines. Even before the music was ready to go, campers and Team Members were all lined up and began singing the lyrics themselves! It really brings meaning to the words, "Good Times Never Felt so Good"!

It's so great to see so many smiling faces having so much fun, at our favorite place! We hope you have a great weekend and we can't wait to see you all back here on Monday to start Week 3! We have Game Show Trivia, FB Olympics and SO much more! We are counting down the hours!
