SUMMER 2021

Frogbridge Fun Facts

GAMES, GUESSES and GUMBALLS!

Every Wednesday at camp is a Wear it Day! On these Camp Spirit Days Campers and Team Members dress up as the theme of the week. The groups with the most participants win all different Frogbridge Giveaways. This year we added many new Wear It days to the calendar. We are super excited for Rock and Jock Day. Will your campers dress like Rock Stars or Athletes?

What's Gonna Hoppen Week 4:

- * Monday—Who's Got Talent!
- * Tuesday—Virtual Junior Camp Talent Show!
- * Wednesday—Virtual Tadpole and Intermediate Talent Show; Wear it - Bowties and Bandannas!
- * Thursday—Virtual Middle and Senior Camp Talent Show!
- * Friday—Wacky Water Day!

We could not have asked for a better Week 3 filled with tons of Frogbridge excitement. Campers and Team Members are living their best lives at their summer home. We are all always thinking green and gold...

This week was filled with games, guesses and a lot of fun competition! We kicked off Monday with our Game Show Trivia contest! All week, campers and team members answered the trivia questions at morning assembly! It's so much fun watching them each day as they try and solve the answers!

Tuesday the Olympics came to Frogbridge as each division had their own Olympic challenges. This special event had campers participating in all

different relay races! Not only was there a Dash Relay, but they also did a Bean Bag Toss, Hula Hoop Relay and even a Water Bucket relay! Gold and Silver Place finishes were awarded to the top teams! Way to go guys!

One of our all time favorite Wear It days is Pajama Day! The best part about Pajama Day is that you can roll out of bed and wear your favorite Pjs to camp! Even better than wearing your pjs to camp, is that breakfast is served for lunch! Ask your campers how many french toast sticks they ate! They were delicious!

Our annual Gumball Guess contest took place on Thursday! Campers were each given a turn to guess how many gumballs were in the container! A special shout out goes to Alexa K.

From MG5 for guessing the closest number! Her guess of 962 was only 10 away from the actual Number of 972! So many campers guessed 1000 which was pretty close, but just not close enough!

Harrison Square Garden was ready for Insanity Live on Friday! This interactive game show had campers and team members doing challenges virtually with the press of a buzzer! There were games show wheels, trivia questions and a whole lot more!

That's a wrap for Week 3! Time needs to slow down with all the fun that we are having! We can't believe that we start Week 4 on Monday! Get ready to watch your shining stars take the stage next week for this summer's Virtual Camp Talent Shows. Camp families will all be able to watch the shows together at home, as all shows will be recorded and available for viewing through your camp minder accounts! Have a great week-end! See you next week!

SUMMER 21 SHOUTOUTS
