# Welcome Home!

After ten long months, the first day of Frogbridge 2022 was finally here! Campers ran off the busses to see old friends, new campers met their groups and counselors, and excitement was all over assembly, as JR called the first group of the summer to raise the flag. It felt amazing to be back at our summer home! Everyone wanted to join in on the fun, even the rain decided to join us for the day! However, that didn't stop us from going to our favorite indoor activities and getting ready to kick off the summer of 2022!

We were just as excited to return to camp with the sunshine on Tuesday! Middle and Senior Campers kicked off their league sports, Tadpoles swam in the pools for the first time

and SCORE and Teen Travel headed off to their first trips. Harrison Square Garden featured our first special event ....The NewlyMet Game! Here our new campers to Frogbridge get to answer questions about their new friends in their group and see if their answers match. Congrats to all our winners!

On Wednesday we traded in our Green and Gold, for a whole lot of Red, White and Blue, to show our USA spirit! Always a popular wear-it.... USA day had lots of campers decked out in American Flags, shiny red and blue bows, and a whole of star and stripes. Thank you all for showing show great American spirit. Our groups that had the most participation brought homes our brand new Frogbridge water bottles...way to go!

During Thursday's Wacky Tacky Dress Your Counselor Day, campers brought in all different mis-matched clothes and accessories to dress their counselors the wackiest way possible. Congrats to all that participated. In the end it came down to SG2 and the CITs, with SG2's counselor taking home the crown dressed as a fancy hotdog.

Before we knew it, Friday was here, and so much more was happening. We started the day at assembly with our first Sweet Caroline of the summer featuring as always the longest Camper Conga line in the world. HSG was celebrating with "The Hype", an exciting new game show, where campers and team members got to participate in an interactive virtual game show. Topping off our day was our Friday camper BBQ which had campers dancing away to the DJ's best hits! What a fun filled Frogstastic day!

If you thought Week 1 was action packed, we have so much more in store! Remember camp is closed for Independence Day on Monday, July 4th, but we will be back here on Tuesday ready to start week 2! Have a great and safe weekend!
