## Fun In The Sun!

The weeks are flying by and the days are going even faster! Time needs to slow down! How is it that we are at the end of week 2 already? Smiles can be seen all over camp on all 86 acres. Campers are zipping across the lake, soaring to the clouds in bungee, swimming in the pool and sipping on Frogartas! They are making projects in arts and crafts, hitting a home run at Little Fenway and scoring a goal in soccer! The fun is everywhere and we hope you are enjoying it all through all the pictures that are posted!

Although this was a shortened week it was jam packed with fun! We kicked off the week on Tuesday joining the Wordle Craze with our own version being

played at assembly all week! Congrats to all the groups that came up with many five letter words related to Frogbridge! In case you didn't know it, Tuesday was also National Graham Cracker Day, so to celebrate we all had s'mores for dessert at lunch! Boy, were they delicious!

Wednesday, back by popular demand was everyone's favorite wear it ...pajama day! Campers and team members rolled out of bed and headed straight to camp in their pjs. We all stayed comfy all day in pj pants and shorts, some even had onesies and slippers! What better way to celebrate than having breakfast for lunch! The french toast was delicious!

Thursday's first ever Tik Tok tunes challenge had us dancing to the music at assembly! We have some great dancers in the

crowd and it's amazing they know all the moves to all the different songs. JG2 took the title this week, but we decided it was so much fun, that we need to have a dance off every week. Welcome to our calendar "TikTok Tuesdays!" Stay tuned!

We blinked and it was Friday, which meant the return of The Solo Circus. Mike DuBois has showed his many talents to the Frogbridge Crowd years ago and was back with even more. He has performed on cruise ships and was even a part of the movie The Greatest Showman. His circus act, including his tricks and acrobatics is always fun to watch. We are so happy he could join us this week.

We know that the weeks will only get faster, but we want to take it all the fun we are having with our camp friends. Week 3 has even more in store, so get your ties and tutus ready because before we know it we will be back here on Monday. AS a reminder Picture Day is next week, so be sure to turn in your forms. Have a great weekend!
