What's Hoppening???

SUMMER 2022

Frogbridge Fun Facts

Lunch on Wednesdays is called International Wednesdays, and it features foods from around the world! This week's pierogies from Poland are always a camper favorite. We served over 1200 pierogies to campers and team members. That's is a whole lot of potatoes!

What's Gonna Hoppen Week 4:

- * **Monday—All About Summer Trivia!**
- * **Tuesday—Junior Camp Virtual Talent Show!**
- * **Wednesday—Wear it -Green Out! Tadpole and Intermediate Virtual Talent Show!**
- * **Thursday—Upper Camp Talent Show!**
- * **Friday—Wacky Water Day!**

Smile & Say Cheese!

The weeks keep getting better and better as we are having the summer of our lives at Frogbridge! Every day is filled with more excitement, more fun and so many new memories! The sun is shining, campers are smiling and laughing at their favorite activities, and we wish we could just freeze time.

Week 3 started off with a brand new challenge at Assembly called Crack The Code. Groups were competing against each other all week to find the magical numbers. We found out that we really are Math Wiz's!

Tuesday's Tiktok challenge had 3 groups in a dance off at assembly. SG2 took the crown this week and has advanced to the finals week 8 when we declare our very first TikTok champions. Keep Practicing those dance moves at home! Our first ever Dutch

Auction had our junior, middle and senior campers hunting all over camp to fill a sack with a whole bunch of ... well, just about anything and everything! After filling their bags with anything they can find for ten minutes they were asked to return to HSG where random items were called out which they had to present to the judges. The tricky part was the item actually had to be in their sack! We weren't too surprised when they had a Frogbridge Giveaway or a waterbottle, but some groups were clever enough to collect pinecones, nail polish and even keys! A great time was had by all!

On Wednesday, our campers were all dressed to the nines in ties and tutus! We were surprised to see ties of all shapes and sizes and with so many different colored tutus in the crowd, you guessed it, by far the most popular colors were green

and gold! (Keep them handy, you never know when you may need them again!)

On Thursday we all came prepared with our smiles for picture day! Our camp shirts were given out before the pictures and we can't wait to wear them proudly around town all year. Every camper's picture was taken, so it's not too late to send in picture money if you haven't done so already!

We blinked and it was Friday, and the Wacky Challenge Obstacle Course came to Frogbridge. Similar to Ninja Warrior, each camper had to find their way through the different steps of the obstacle course, by climbing and using their strength and coordination to complete it. Thanks so much to Child's Play Challenge Course for joining us for the day!

Throughout the weeks, Campers and Team Members have been working so hard on their talent show performances. We can't wait to share them with you virtually next week. Please remember to send in your costumes if you have not done so already. Have a great weekend and we will see you back here on Monday with more fun and excitement!

SUMMER 22 SHOUTOUTS

- The Tadpole Division is having a blast! We are working hard on our Talent Show performances. We are enjoying our activities, the petting zoo, and special events. Congrats to our Wear It Wednesday winners, TP4!
- Intermediate Camp had a blast this week at the petting zoo! Everyone is doing a fantastic job practicing at the talent show. Congratulations to IG 3, the winners at Wear it Wednesday
- Junior Camp had a blast this week at the petting zoo and Dutch Auction. We are looking forward to Talent Show next week.
- MB5 raised the flag Tuesday! MG5 won the Dutch Auction! MB5 won our "Ties and Tutus" wear it!
- Way to go Senior Camp! SG1 raised the flag during Thursdays morning assembly. SG2 won the Dutch Auction and SG4 wore it best for Wear it Wednesday: ties and tutus!
