# Shining Stars!

It's hard to believe that the first half of our summer is over! We wait ten long months for it to get here, and then time flies by when we get to camp! We have experienced so much in four weeks time, and we can't wait to see what the next half of our summer will bring! Week four brought more laughs, a lot of smiles, a lot of water, sno-cones and ice cream sundaes, and a whole lot of talent to camp!

Campers all around camp have been practicing so hard for talent show! The costumes they put together, their dancing moves and oh those smiles made this year's shows ones we will never forget. It was amazing to see all the campers hard work come together after all their practicing. We danced away to Disney songs, we had superheroes make an appearance and we closed out the last shows with

our middle and senior girls showing off their gymnastic skills! We are so proud of all our Frogbridge stars and hope you enjoyed watching the shows from your own homes!

The extreme heat also decided to join in on the fun this week, but that didn't stop us from enjoying our favorite Frogbridge indoor activities. We had extra swims, extra Ribbits and Frogaritas and set up our Tiki-Huts with a whole lot of sno-cones to stay cool.

Apparently, the Senior Boys challenged Brett Sweat at Fitness to bike to camp from his house if they were able to complete 5 pull ups. The boys held up on their end, which meant on Friday Brett started his 25 mile bike ride to Frogbridge. Taking selfies along the way he arrived at Frogbridge safely with a message to deliver. As Sweet Caroline ended, the music switched to Color War music and Brett rode right into assembly holding the Green and

Gold Flags...the campers started cheering...but before we knew it JR announced Brett's message was..."FAKE OUT!" This is NOT Color War! Sorry guys you will just have to wait a little longer.

Luckily for us, Wacky Water Day on Friday kept us all soaking wet. The pool complex was turned into a waterpark with Giant Waterslides and our large field outside the pool complex had Giant water inflatables to slide and jump on. Our Dunk Tank was out again and campers were dunking your favorite team member in the Dunk Tank. They even had campers running up and pressing the giant target to get their favorite team members soaking wet! Splish splashing around, dripping from the water was exactly what we needed on such a HOT day!

As the first half of our summer comes to an end we hope all of you leaving us today have a great rest of your summer and we hope to see you back home at Frogbridge next summer. For those of you staying get ready, we have so much more jam packed in the second half. More wear its, more special events, more challenges and dare we say Color War! Have a great weekend and we will see you all back here at assembly on Monday!
