SUMMER 2022

Frogbridge Fun Facts

JR's real birthday is July 27th, but every year on our camp calendar we have a random day for JR's birthday Bash. Many years ago JR came up with the idea, so everyone that does not have a birthday on a camp day can still celebrate their birthday in camp. We play birthday music and everyone gets a piece of birthday cake for dessert! Hoppy Hoppy Birthday Frogbridge!

What's Gonna Hoppen Week 6:

- * Monday—Olympic Challenge!
- * Tuesday—Jellybean Jumble!
- * Wednesday—College Day!
- * Thursday—NJ Bubble Show!
- * Friday—The Brain Show!

PARTY TIME!

We kicked off the second half of our summer with a lot more fun and even more friends! Week 5 had a lot of partying, even more surprises, and a whole lot of celebrations. Our favorite activities are now in full swing, middle and senior leagues are competing for the second half

title, Hippity Hops has oh so many sweet treats and campers are zipping across the lake like Peter Pan. We are advancing in our swim groups, building on friendships and challenging ourselves to try things we never thought we would. Frogbridge 2022 is proving to be the summer of our lives.

Our Ribbiting Riddles game this week had campers and Team Members trying to solve all different silly riddles. Some were just for fun and others were brain teasers where we really needed to think about it. It made us all think about how we are not ready to go back to school just yet!

A new Wear it added to the calendar this summer, "My Favorite Place", was a huge success! We had campers and team members wearing

shirts from all their favorite places, (including many tropical islands), campers in PJS because their favorite place is their bed, and even a team member dressed in a Target bag! By far the most tshirts in the crowd were Frogbridge and Disney World ones! It must feel great to be able to spend 39 days at your FAVORITE place.

Frogbridge Idol had many Team Members in camp singing to their favorite songs, with costumes, dance moves and all. We had nine acts to start, and after an elimination round, we narrowed it down to the final 3 that performed at assembly. First up was Robert and Andrew from Junior Camp who performed a combo of many different songs with several costume changes including Arielle the Mermaid. Next were the Middle Camp counselors

who had a whole combo put together from High School Musical, and even included every camper in Middle Camp as part of the act! And the final act was the Senior Spice Girls which had a special guest appearance from Jake Swift! All three acts were incredible, and just when JR was ready to announce the winner, he had a little surprise for us. Adam reprised his pen pineapple act from many years ago and the Color War Music started to play, but within minutes of the entire camp cheering...he said this is NOT Color War. These fake breaks need to be real eventually, but looks like we will have to wait a little longer! In the end the Middle Camp Counselors took the title and were crowned the Frogbridge Idol Champs. Thank you to everyone that participated!

We began the day on Friday with a fire drill, and yes you guessed it, ANOTHER FAKE BREAK! But things got much better very quickly as we had a blast at our Camper Glow Party which was a huge success where all the divisions were rocking out to their favorite songs all dressed in neon. We partied the day away with a guest appearance from the 12 foot "glowbot" with his neon lights! Such a fabulous day to show off our dancing skills.

As we end week 5 we need time to slow down. We need to keep partying, keep making more memories and keep living our Frogbridge best lives. Have a great weekend and we will see you back on Monday!
