SUMMER 2023

## Frogbridge Fun Facts

Little Fenway Park is an exact replica of Fenway Park in Boston. Every time the campers go, they know that if they hit a ball over the Green Monster, they will become part of an exclusive group called The HomeRun club and receive a Frogbridge Official Home-run club t-shirt. So far this summer we awarded 8 shirts. We have a whole lot more shirts ready to go to our newest members!

### What's Gonna Hoppen Week 3:

- \* Monday—I Spy!
- \* Tuesday—Bucket Brigade!
- \* Wednesday—Frogtober in July Halloween Parade!!
- \* Thursday—Picture Day!
- \* Friday—Camper Quest!

## Fun, Friends and Frogbridge!!

It's amazing how much fun we can pack into four short days! Frogbridge Campers and Team Members are having the time of their lives and it shows on their smiling faces. Despite the extreme temperatures we had this week, we kept cool at all our air-conditioned activities and splashing around in the pool. We call it our very own Frogbridge bubble where the temperature is just perfect all the time with snowcones or frozen ices and ice cream available every day!

Monday kicked off our second week of camp with all new activities and a whole lot of pool time. Campers were eager to zip across the lake, learn how to play pickleball and get a bulls eye at archery! Main Street activities, had us making frog portraits in fine arts and painting lots of mas-

terpieces in ceramics! Fun and frogs were all over the place!

After a day off on Tuesday we were all really confused when we showed up to camp on Wednesday morning in our pajamas! Covered from head to toe in sleepwear, our campers had it all. From eye masks, to slippers, robes and even stuffed animals, we were all ready to have breakfast for lunch and a whole lot of french toast sticks! Great job to all our Wear It winners this week! (Don't "froget" every Wednesday features a different wear-it contest each week so be sure to have your campers come to camp all dressed up)

We continued our weekly assembly game tradition this week with our Team Members competing in a game called "Hit The Hay" to go along with our petting zoo theme of the day! This challenge had them racing back and forth to the zoo, farm

and even pet store to see who would get there first! Then when 'Hit The Hay" was shouted, down to the floor they went! Congrats to SCB2's counselor, Jake, for winning the race with his group cheering him on! Meanwhile, on the other side of camp our younger campers were enjoying this years petting zoo! Our furry visitors this year included an alpaca, a sheep, rabbits, goats and even a zebu! They loved getting to feed and pet the animals!

The weeks are going to have to slow down because before we knew it Friday was here and we welcomed the Magic of Speed! We could never have imagined the tricks this magician had up his sleeve and how fast he could do them! He just kept getting faster and faster and faster. The expressions from the crowd, showed how in awe we all were!

Have a great weekend and we will see you back here on Monday morning as we start week 3. Get your smiles ready for picture day and if you have not sent in your picture forms please remember to do so! See you Monday!
