

What's Hoppening???

SUMMER 2023

Frogbridge Fun Facts

Frogbridge Day Camp is on 86 acres of property and we have over 65 activities here at camp. Did you know that many years before Frogbridge was born, the property used to be a lakefront swim resort where people would come and vacation. Although much different than the Frogbridge we know, vacationers also used to have the times of their lives here. If you have toured Frogbridge you will remember that even Frank Sinatra and Mia Farrow used to spend time here with his family!

What's Gonna Hoppen Week 4:

- * Monday—Sport Numbers!
- * Tuesday—Dancing with The Staff!
- * Wednesday—Touchdowns and Tiaras!
- * Thursday—JR's Birthday Bash!
- * Friday—Silent Discol!

A WEEK OF SHINING STARS AT FROGBRIDGE!

We did not think it would be possible for half the summer to be over this quickly, but time really does fly when you're having a blast at camp!

Week 4 brought many more smiles, many more laughs and a whole lot of cheering! Although the weather doesn't seem to be on our side this summer, you would never know it here at camp! Main Street always has campers busy whether it be painting a portrait in Fine Art, cooking up a sweet treat in Hippity Hops or getting your nails painted at Miss Lilys! Rock and Zip has campers zipping across the lake (some for the first time ever), in Fitness we are testing our strength, and at Fishing we are competing who can catch the BIGGEST fish! The lucky winners from each division are even awarded with an official Frogbridge Biggest Fish tshirt! All around camp, campers and Team Members are laughing, smiling and having the best summer of their lives. We are so lucky we have

four more weeks of jam-packed fun!

Week 4 was all about Talent here at camp. After just a few short weeks of practicing, campers were ready to take the stage in our famous Gala at The Garden. Junior Campers were the first to take the stage. Their costumes, songs and dances proved they are ready for Broadway! Tadpole and Intermediate Campers were all set for their debut on Wednesday, as they performed in their acts. From Twinkle, Twinkle Little Star to The Barbie Girls, the cheering from the crowd was loud enough to take them straight to Hollywood. Oh how adorable! We ended our Talent Shows with our Middle and Senior Campers taking the stage on Thursday. This should have been called The Eras Tour times two, as the groups each choose a different Taylor Swift song to perform too. Great job to everyone. From our Team Members that helped choreograph all the dances, to our parents for assisting by coordinating all the costumes, to our campers for

dancing on the stage! You are all ready for Hollywood! Just don't "froget" us when you are famous!

Thursday afternoon, was time for our weekly Team Member Challenge and JR had a little surprise. Making three teams (one from the division), we played a little game Called "Aw Shucks". Team Members did an incredible job shucking 5 huge crates full of corn, while the campers were looking above for a little sign that Color War might be on the way! As luck would have it, right after the event, a plane was flying over Frogbridge, but this one was just passing by and did not have a message for us! Sorry guys you will just have to wait a while longer! We promise it's on the way!

Although Wacky Water Day was postponed due to Friday's anticipated rainy weather, we had plenty of SUN all around camp! Either the Frogbridge Bubble was put up, or the weatherman were wrong! Lucky for us we were able to participate in all our favorite activities both indoor and outdoor.

When we come back here on Monday we will kick off the last four weeks of the summer of 2023. Not only will it feature Wacky Water Day and the camp carnival, but we have Family Night, more wear-its, Dancing with the Staff, our Theatreworks presentation of The Lion King Jr., The Octagon Finals, and oh yeah...a little thing they call The Battle at The Bridge! Have a great weekend!
