Messes, Disney and Carnival Chaos!

We know they say time flies when you are having fun, but we never could have expected it to go this fast! We are not sure how we got to Friday of Week 7 already, but we had the most amazing time getting here! The friends, the memories at activities, and all the special events, there is just something so special about spending our summers together at Frogbridge! We are so lucky that we still have one more week of summer at our favorite place!

Assembly on Monday was the first time we were all back together after the Color War finale last week! We raised the flag as a whole group and started our new weekly challenge game, Extra Toppings! It was a lot of fun to see all the different toppings the campers thought of to put on pizza, icecream, salads and even a hamburger! We were able to participate in many of our favorite activities, (some

for the last time this summer), continue in our league games, and have that one last try to get into the Octagon Finals! Campers are smiling, laughing and not thinking about going back to school just yet!

Our first ever Messtival, was a ton of fun throughout the week and boy did some of us get messy! Counselors at assembly, participated in a cheeto puff toss! A few counselors from each division wore a shower cap, while others had to cover them in shaving cream while a few others tossed cheetos at their heads! A mess indeed, it was Amanda and her CITs that were crowned the champions with the most cheetos stuck to her head! All campers and Team Members had a very sticky ice cream event, where they made the biggest sundaes we have ever seen! Scoops of icecream, loaded with whipped cream, sprinkles, cherries and more....good thing they had spoons for this event!

Wednesday, not only was it under the sea day, but we

mixed it in with a little Disney! With mermaid shirts, Micky Ears and a ton of Disney souvenirs, our wear it this week defiantly brought the Disney magic to camp! Thanks to everyone that participated!

We managed to get half the day of regular activities in on Thursday, before the rain clouds came! Good think we postponed Family BBQ nigh to Monday! We can't wait to see you all then.

On Friday morning when the campers and team members arrived to camp we were busy setting up for our famous camp carnival. We spent the day playing games, having a blast on the rides and enjoying lots of yummy carnival treats. Campers loved the cotton candy and popcorn, and they just didn't seem to get enough. The best part about the camp carnival is this year we will get to enjoy it again on Parent Night with all of you!

It is hard to believe that when we return to camp on Monday we only have five days left of our summer together! Who will be the next Octagon Champions? Which League Team will win the title? Rest up and we will see you back here first thing Monday!
